G.O.A.L.

"Get Out And Live!"

The Handicapped Travel Club, Inc.
was formed in August 1973, in
Arcata, California by five disabled
couples from California and Texas.
These couples received so much
enjoyment from travel and the
association with campers with
disabilities, they decided to form a
club which would encourage other
handicapped people to travel, to
meet, and to exchange ideas, or in
other words...

"Get Out And Live!"

COME JOIN THE FUN AND FELLOWSHIP!

The original plan was for a family RV club in which at least one person was disabled, but when able-bodied people and non-campers also expressed interest, the membership was opened up to all. There are hundreds of members throughout the United States and Canada.

There are no territorial boundaries, no limitations as to race, religion, age, disability, sexual orientation or political beliefs. All active members have equal voting privileges and the right to hold office.

HTC is incorporated in the state of California as a nonprofit, non stock, and a tax exempt national 501(c)7 corporation.

Fill in the application (on the reverse side) and send to the treasurer as indicated. New members receive a membership card, access to website, newsletters and a membership roster. We look forward to seeing you at an upcoming Rally or event!

Feel free to join our Facebook group at: www.facebook.com/groups/handicappedtravelclub

Membership Application

Application Fee of \$20. Includes first year's dues: annual dues thereafter \$10.00
